

PINK
Life

A stylized graphic of a pink rose branch. The branch is grey and curves upwards and to the right. It features three leaves: one large grey leaf at the bottom, and two smaller grey leaves above it. There are three roses: a large light pink rose at the top, a smaller dark pink rose bud in the middle, and another large dark pink rose at the bottom right. The word "PINK" is written in a bold, magenta, sans-serif font above the roses. Below "PINK", the word "Life" is written in a black, cursive script font. Small black dots are placed below the letters of "PINK": one under the 'P', one under the first 'I', one under the 'N', and one under the 'K'. The 'i' in "Life" has a black dot above it.
